Dear PNBA:

We want to thank the Pacific Northwest Booksellers Association Rural Library Project for selecting the Warm Springs Community Library to be the recipient of the 2011 Michael Pritiken Rural Library Project award. We also want to thank all the booksellers whose donations made this award possible. It was a pleasure to attend the PNBA 2011 Fall Tradeshow to receive the award and meet the booksellers, authors and PNBA staff. This award provides us a solid and up-to-date core collection and allows us to begin bookmobile service. It also solidifies our library as a bona fide and vital resource for information and ideas to our community.

We are planning an expansion to accommodate the new material. Very soon our bookmobile will make its first trip and our number of visitors and circulations continues to climb each month. Our library is a vital resource once more. Your generous support has made all of this possible.

On behalf of the people of Warm Springs, we can't thank you enough.

Sincerely,

Craig Graham
