

OMAR EL AKKAD

American War: A Novel by Omar El Akkad

This is the story of America at war with itself, and El Akkad has some news for you: it's more frightening than you could ever imagine. Mining his journalistic experience, he imagines an America fighting over fossil fuel, where the sides fall via familiar divisions: North and South, blue and red. *American War* is a beautifully written but brutal wake-up call for all of us who think it can't happen here.
