

CHANDLER O'LEARY & JESSICA SPRING

Dead Feminists: Historic Heroines in Living Color by Chandler O'Leary and Jessica Spring

In 2008, artists O'Leary and Spring made a letterpress broadside featuring a quote by suffragist Elizabeth Cady Stanton: "Come, come my conservative friend, wipe the dew off your spectacles and see the world is moving." This began a years-long project printing broadsides inspired by feminists throughout history—all 24 lusciously collected here! Wonderful for developing activists and designers.
