MINT EDITIONS

AN IMPRINT OF WEST MARGIN PRESS

Rediscovering hidden gems. . . because a good book never goes bad.

ABOUT MINT EDITIONS

Mint Editions was founded with the intention of creating cleanly designed, collectible versions of important literary works, and has expanded into an imprint of discovery. Our goal is to bring life back to timeless works of literature and provoke new conversations about how these works continue to shape our lives today. With stunning original covers, Mint Editions presents fiction, memoir, essays, poetry, and more in formats for the modern reader.

CLASSIC LIT VS. VINTAGE LIT

Classic books are works of literature that are generally considered to be a part of the larger American literary canon, e.g. F. Scott Fitzgerald’s *The Great Gatsby*. Vintage literature signifies books that should be remembered, memorialized, and appreciated but were never given the opportunity to do so. Mint Editions publishes both classic lit and vintage lit—there is something for every reader.
