

EOWYN IVEY

To The Bright Edge Of The World
by Eowyn Ivey

Returning to the same stunning landscape as *The Snow Child*, Ivey's second novel tells the story of newly married Colonel Allen Forrester and his wife Sophie, as they endure a long separation when he is charged with leading an expedition into the Alaskan wilderness. An absorbing and beautiful epistolary novel of adventure, danger and discovery, and a love story fraught with an equal fear of the unknown.
