

ALEXIS M. SMITH

Marrow Island
by Alexis M. Smith

Marrow Island was once another jewel of the beautiful San Juans but has become the jagged memory of disaster, one that took the life of Lucie's father. Her best childhood friend is now immersed in a mysterious commune on the island, and Lucie is drawn by Marrow on both counts. Addressing environmental issues, cult behavior, family loss and broken friendships, *Marrow Island* is an original and riveting read.
