

JESS WALTER

We Live in Water
Jess Walter

Reading his short stories—a diverse lot, but with a strong dose of the down and almost out—it's easy to envision that you're meeting the people who stream by Walter's house. The tweekers, the cons, the people always two dollars short... they're all here, in stories that twist and plumb, delivering unexpected laughs while playing with what it is we think we know. — *The Seattle Times*
