

DONNA BARBA HIGUERA

Lupe Wong Won't Dance **by Donna Barba Higuera**

Lupe Wong is half-Chinese, half-Mexican, opinionated, and determined to get straight As in order to meet her baseball hero. What she is *not* is a dancer. So when she finds out that square dancing is the next unit in gym class, potentially foiling her plans, she makes it her mission to put a stop to it. The results are hysterical and unexpected. Higuera hits a home run with her debut middle grade novel full of humor and heart.
