## Books Headed to Idaho

The [Wallace Public Library](#), Wallace, ID, has been chosen as the recipient library for the 2013 Michael Pritiken Rural Library Project.

The Wallace PL will send two representatives to Portland to help program coordinator Colin Rea collect and pack books and to transport the donated books to [Wallace](#).

The library was nominated by Vanderford's Books & Office Products, of Sandpoint, ID.

Volunteers from the [Wallace Public Library](#), Wallace, ID, pulled a U-Haul up to the loading dock of the convention center at show's end and loaded up 31 cartons of donated books valued at approximately \$14,000.

Thank you to all exhibitors who donated from their show displays.
